St Augustine, Bishop of Hippo Memorial Monday 28th August

Some thoughts and reflections from St Augustine:

Some people, in order to discover God, read books. But there is a great book: the very appearance of created things. Look above you! Look below you! Read it. God, whom you want to discover, never wrote that book with ink. Instead, He set before your eyes the things that He had made. Can you ask for a louder voice than that?

Take care of your body as if you were going to live forever; and take care of your soul as if you were going to die tomorrow.

There is no saint without a past, no sinner without a future.

Remember this. When people choose to withdraw far from a fire, the fire continues to give warmth, but they grow cold. When people choose to withdraw far from light, the light continues to be bright in itself but they are in darkness. This is also the case when people withdraw from God.
