Today's Gospel

Jesus gave the disciples a share in his mission by sending them out ahead of him. It was a gesture of trust and confidence on his part, even though they did not fully understand his mission. Christ sent them out together. He knew that they would lean on each other, and find support and encouragement as they worked together and modelled charity in the way that they related to each other in love. How much we need community in our own lives! We are not lone rangers as we seek to make Christ's kingdom present in the world. That was not his design. Even Jesus communed with the Holy Spirit as he revealed to people the heart of his Father. Let's thank God for the people he placed alongside us to accompany us on the journey through this life to heaven.

Envelopes for the Summer offering are now available in your boxes. The Summer offering is one of the five envelopes which contribute to the support of your priest and the payment of your priest's salary. No part of the weekend/Sunday collection is used to fund the priest's salary. The weekly collection is used for the maintenance and heating of the Churches and payment of expenses in running our Churches and Parish.
